critiquing the marginalization of black people

slavery in a modern context

commentary on slavery

Jacobs

< (arguable) slave narrative

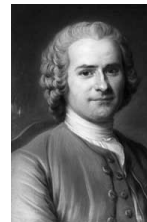

^

Siri

Both address free will

Being a person has to do with control over your own mental processes
questions about how the mind works

I marginalization/manipulation of black people

<

v

Hughes

White people's tendency to appropriate black culture

v

>

comment on difference

SHELLEY

people's tendency to treat the "other" as a monster

Rousseau

We shouldn't treat the other as a monster if they are rational and intelligent

<
